Engineering Projects:

- ### Balsa Wood Tower **Fall 2025**
  Modeled and engineered a high strength tower using 1/8" balsa wood sticks.
  Worked with a team to build and refine my design which was chosen by our team.
  Achieved 3rd place overall out of 16 teams, holding 83 lbs.
- ### Natural Water Filter **Fall 2025**
  Designed and tested a gravity powered water filter using only rocks, drainage gravel, and sand.
  Used the engineering design process to test and improve our design over 3 trials.
  Secured 1st place in the class by reducing water opacity by 40%.

Work Experience:

- ### Head Lifeguard & Swim Instructor **Summer 2026**
  918 Elite – Broken Arrow, Oklahoma
  Coached ~50 4-12-year-old children with swimming lessons in the morning and free swim in the afternoon.
  Maintained a strict safety protocol, recording 0 safety incidents in the full 10-week camp.
  Raised the pass rate of our swim test to over 95% from ~60% at the start of camp, demonstrating the ability to
  communicate complex ideas effectively and make improvements.
  Adapted dynamically by shifting my role, often weekly, to the operational needs of a fresh company buyout, easing the load of my employers/owners.
- ### Group Leader **Summers 2024 & 2025**
  SSB Kids! (Now 918 Elite) – Broken Arrow, Oklahoma
  Supervised a group of ~10 8–12-year-old children throughout their day of summer camp.
  Involved an extremely fast paced schedule with high-frequency scheduling across the 7-hour day.
  Regularly shifted roles to fill the needs of the company, being adaptable to any position I could possibly take on.

Work Experience:

- SSB Kids – 06/2024 & 06/2025 – Group Leader – Group Leaders are responsible for managing a group of 8-10 children ranging from 4-12 years old throughout their day at summer camp. Keeping up with their belongings, staying on a strict, fast-paced schedule, and making sure their safety is a priority are just some highlights of the responsibilities given to group leaders. They also serve as lifeguards in the afternoon and therefore must be lifeguard and
